Presidents Message

Dear bowlers of the Genesee Region USBC,

Thank you for taking the time to review this average book. If you find that your average is missing, please refer to the disclaimer page.

This season brings a new hope for our bowling community. The board members that we have assembled have a new dedication and interest in growing the sport of bowling for all bowlers of every level and age . We are currently working on many projects for the Genesee Region. A newsletter will be published monthly,(if you have pictures from bowling events, achievements or bowling news, email them to Randy Hanks. rhanks5@rochester.rr.com.) banners will be hanging in every center with the tournament listings, starting in 2013 we will be selling advertising for the next season's average book, we will be selling daily numbers tickets to benefit the boys and girls scholarship fund, we will be selling raffle tickets(tbd) as a fund raiser, and in 2013 we will be unveiling a new web-site. If you are not familiar with our current web-site it is genesee-region-usbc.com

New members to the board of directors are Dennis Englert, Roxanne Clar, Jason Quilliam, Chuck Bobo, Dave Elliot, Pat Fuller, and Laurie Cole who will be taking over as Association Manager in 2013 and will have the position of Assistant Association Manager for this season. Tom Fluker was voted in as president, Randy Hanks was voted in as Vice President, and Jan King was voted in as Sergeant at arms.

At each center there will be forms for the hall of fame, board membership application, and a committees sign up sheet.

Our youth bowlers continue to decline. We need your help in rebuilding our youth programs. They are the future of our game. If you know of any child of any age, get them to your nearest bowling center and get them on the path to learning a game they can do for a life time. Youth bowling offers more for kids than any other sport. Talk to a bowling coach or a proprietor for more details.

At our annual association banquet we will have a power point presentation. Throughout the season if you have any special event pictures, achievements, or just a great bowling picture, send them to Randy Hanks.

In closing there are many things the board is being challenged with this season and other ideas that are in the early stages. Each bowling center will be scheduling a "town hall meeting" night where I will be there to answer any questions the bowling community may have and to put a face with some of the officers.

Sincerely,
Tom Fluker
President Genesee Region USBC
