AWARD PROGRAM FOR 2021 - 2022 SEASON

Attached is a listing of all awards included in the GRUSBC Awards Program for the 2021 - 2022 season. It is suggested that all Team Captains receive a copy before your league begins. Please feel free to make copies.

When the listing refers to "Entries", it is referring to the Year End drawing at the annual GRUSBC Association banquet. The drawing for the 2021 - 2022 season will be the same as last year. There will be three drawings for \$500 cash each and four drawings for \$25 cash each.

Also attached are forms for those League Secretaries submitting award requests manually. There are three forms for your use. They are:

1. Bowler Honor Award Request Form.
2. Bowler Award Request Form (The most frequent submission).
3. 5, 10, 20 Achievement Award Request Form.

The top portion requesting League Name, Secretary Name, Bowling Center Name, and Secretary phone number on each form only needs to be completed once. It is not required on every award request. Please feel free to make copies as needed.

It is strongly encouraged that you submit award requests online. The online form can be found on the Association website **bowlgr.com** under the "links" tab.

Timely submission of award requests is required so they can be delivered in a timely fashion. Requests must be submitted within 3 weeks of the date bowled.

As a reminder, a bowler must bowl 12 games before earning an Over Average Award. The Over Average Awards include the 40-69 Pins Over for game, 70 Pins Over for game, and 100 plus Pins Over for Series. All other awards on forms one and two above can be earned at anytime.

Observations:

1. Please remember that a Senior is defined as a bowler age 55 or over.
2. For a given series a bowler can earn multiple awards for Over Average.

Please have your bowlers be on the lookout for achievements that are not visible by looking at the bowler's scores. Specifically, the 7-10 split conversion, Big 4 split conversion or an All Spare game cannot be determined by looking at game scores.

AWARD PROGRAM FOR 2021 - 2022 SEASON

Procedure For 5-10-20 Achievement Award Program:

As a reminder, for certain achievements the Bowler has the option to save them for enhanced awards. Those achievements are as follows:

1. Senior 40-69 Pins Over Average for a game
2. 70 Pins Over Average for a game
3. 100 Pins Over Average for a series
4. Women's 225 to 289 Game
5. 700 Series, 740 Series, and 770 Series

The Association will maintain all records for saved achievements. League Secretaries are not required to maintain records for this purpose. The online & manual forms now include a "Saving Award For Upgrade" option for each eligible achievement.

League Secretaries must submit when the saved achievement is earned along with all other award requests using their normal submission process. Bowlers may mix and match saved and unsaved achievements.

When a bowler has reached the 5, 10, or 20 level, the Association will contact the League Secretary to determine whether the Bowler wants to request an award or continue saving toward the next level. If the Bowler desires an award it must be submitted via the online or manual process the Secretary normally uses.

At the end of the season any excess achievements will be converted to entries into the Annual Drawing or whatever award the bowler is eligible for.

AWARD PROGRAM FOR 2021 - 2022 SEASON

CURRENT YEAR CHANGES

HONOR AWARDS

Historically, we have provided a plaque to bowlers who achieve an Honor Award. The plaque was specific to the award (i.e. 300 Game, 11 In A Row, 800 Series, etc.). The Association has changed this to a single plaque where multiple Honor Award types can be accommodated.

700 SERIES

Historically, we have provided this award for any 700 series bowled. The Association has changed this to be based on the bowler's average over three games on the night bowled plus 50 pins.

OVER AVERAGE GAME

Historically, we have provided these awards beginning at 35 pins over average. The Association has changed this to begin at 40 pins over average for a game. The brackets have been set at 30 pins. There are now 4 brackets at 40 pins, 70 pins, 100 pins, and 130 or more over average for a game.

OVER AVERAGE SERIES

Historically, we have provided this award beginning at 100 pins over average. This remains the same. The Association has changed the brackets. The brackets are now set at 50 pins. There are now 3 brackets at 100 pins, 150 pins, and 200 or more over average for a series.
